Re: Re: Docket #WS-01303A-16-0145

EPCOR waste water proposal

Dear Commissioners:

As an EPCOR rate payer and Sun City resident, I strongly object to EPCOR's recommendation for FULL consolidation of the EPCOR wastewater districts. EPCOR shows their cost of service for the Sun City district is approximately @25/Month and the consolidated rate would increase to over \$40/month. This would almost double the water bills for a majority of Sun City residents who rely on fixed incomes, i.e. Social Security or monthly pensions, to live.

I would not object to an increase of a few dollars per month towards improvements in the Sun City district but not to subsidize other EPCOR districts. The newer districts and developing areas should pay their own way - not be a burden on the established districts and rate payers.

Thank you for your time and consideration.
